

Name of the Product: ReAssure UIN: NBHHLIP23107V022223

Price Change Effective From: 6th Jan 2023

ReAssure is a Retail Health Indemnity product offered the Company. Premiums for this product have been revised after reviewing the performance of the product across all rating factors and underlying claims experience. Rate revision accounts for future inflation, and change in business mix.

Current incurred claims ratio* is 60.7% for trailing six months as at November 2022.

^{*}Incurred claim ratio is inclusive of paid claims, outstanding claims, IBNR and claims handling expenses.
